C.V.

2 College Street, Providence, RI 02903 **Tel:** (804) 239 5292 **Mail:** gkzeigler@gmail.com **Web:** gkzeigler.info

EDUCATION

Rhode Island School of Design Providence, RI
BFA, Furniture Design 2012

Virginia Commonwealth University Richmond, VA
Sculpture + Extended Media, Spring 2010

PROFESSIONAL EXPERIENCE

MCS Design & Fabrication, Richmond, VA [2011]
Production assistant at set design & advertisement prop fabrication studio. Helped coordinate production methods & executed fabrication on large scale projects for the JetBlue & Washington Post, among others.

Rapid Prototype Technician, RISD: Division of Architecture + Design, Providence, RI [2011]
Responsible for the file preparation, printing, and post-production of student files using 3D printing technology. Comfortable in problem solving issues and working on a deadline.

Intern, KB Projects, Brooklyn, NY [2010]
Paid internship with art fabrication & commercial design consultancy studio. Worked in depth on several projects for internationally renowned artists. Developed skills in range of fabrication methods.

Intern, Roll & Hill, New York, NY [2010]
Internship with NYC based high-end contemporary lighting designer, manufacturer and marketer. Worked on logistics, product development, and catalogue design. Also gained understanding of successful marketing and sales techniques within a successful design business.

Shop Monitor, RISD Furniture Design, Providence, RI [2009 - 2011]
Managed wood shop, metal shop, CAD lab, and alternative materials lab during shop hours. Keyholder. Responsible for maintenance & upkeep of machines, providing student assistance, and ensured safe practice.

Installer, RISD Exhibitions, Providence, RI [2009 - 2010]
Responsible for installation of artwork and preparations for gallery shows around campus, as well as various large scale exhibition venues.
